*Dear Mr Shullot*

Thank you for your letter of July 6, 2007 and most of all thank you for your loyal support.

The problem with the press and politicians is that sometimes they do not like the facts to get in the road of a good story. However, the attached booklet which we have sent to all our key corporate customers demonstrates how much progress we have made on improving the efficiency of our cars without diminishing their dynamic driving appeal.

This is the route we shall continue to follow.

*Kind Regards*  
*Jim O'Donnell*
