Mr Shullot

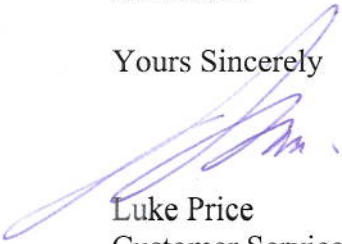

I am writing in response to your letter dated 19<sup>th</sup> October.  
Musgrave Retail Partners GB prides itself on fresh foods totalling nearly 40% of our turnover.

We are always looking for ways to support government initiatives but without it impacting on the competitiveness of our prices.

We are infact at the moment embarking on a targeted price campaign to increase our value and shopping experience for our customers.

I would like to thank you for taking the time to write to us and thank you for your comments.

Yours Sincerely

Luke Price  
Customer Services Manager.
