Dear Mr Shullot

Chrysler 300C

Thank you for your recent letter addressed to Mr Peter Lambert which has been passed to me for response.

I am sorry for not replying to your original letter as I thought it was for our reference only.

We are pleased that over the past two years, you have chosen to drive Chrysler Group products and continue to do so.

I note your comments regarding climate change and can inform you that Chrysler is conscious of this and their vehicles are designed with this in mind.

Thank you for taking the time to share your comments with us and I hope you continue to find driving our product a pleasure to drive

Yours sincerely
