Dear Mr. Shullot,

Re: Letter dated 6th July 2007.

We are pleased to hear you are satisfied with the Hyundai product.

All our vehicles in the UK whether they are past, present or future must comply with EU Directives and UK Government type approval regulations.

At the present time we have managed to achieve this whilst still producing a reliable product, which we consider is excellent value for money.

May I take this opportunity to wish you many miles of enjoyable motoring with your Hyundai.

Yours sincerely,
