Dear Mr Shullot

**Re: Vauxhall Vehicles**

Thank you for your letter dated 6 July 2007, addressed to our Managing Director, Mr C W Parfitt, who has asked that I respond on his behalf.

We were both pleased to learn that you have been driving Vauxhalls for many years and have been happy with them.

I am glad to know that you hope your children will also drive Vauxhalls.

Thank you again for writing and providing us with your feedback.

Yours sincerely

Neil Santon
